

TPCI ORGANIZED INDIAN BUSINESS DELEGATION IN INFRA OMAN SHOW 2015 8 OCTOBER 2015

New Delhi: The 5th edition of Infra Oman show was organized by Al Nimr International Exhibition Organizers at Muscat, Oman during 5-7 October 2015. The show was an annual international exhibition that cater to the building and construction industry in Oman, the Middle East and global markets.

Infra Oman is one of the largest building and construction expo in the Middle East and has been continuously defining the industry's development for the last 5 years. Show featured an extensive range of building materials, construction equipment, wood machinery, interior furnishings and other products, equipment and technology for building and construction operations.

Trade Promotion Council of India organized Indian delegation of 15 construction and infrastructure majors and organized India Pavilion in the show. The Indian pavilion in the show was inaugurated by Mr. Khalid Bin Sultan Al-Akhzami Secretary to H.E., Chairman of the Tender Board, Oman in the presence of Mr. A R Gujar, official of Trade Department of Embassy of India in Oman and TPCI delegates.

B2B meet was organized in the Indian Embassy jointly by Trade Promotion Council of India and Indian Embassy in Muscat, Oman which was attended by major Omani companies and the Indian business delegates taken by TPCI.

The show brought together 241 exhibitors ranging from 24 countries from sectors like construction, building materials, construction equipment's etc. This paved way for developing incomparable synergy among the participant service providers and demanding Omani counterparts.
