

## TPCI TO ORGANIZE INDIA PAVILION IN BANGLADESH FOOD & BAKE TECH SHOW 2016 18<sup>TH</sup> NOVEMBER 2016

**New Delhi:** 12th edition of Bangladesh Food & Bake Tech Industrial Fair 2016 is organized by Bangladesh Agro Processors Association and E3 Solutions is going to be held during 24th – 26th November 2016.

Trade Promotion Council of India is going to organize India Pavilion in the show with a participation of 45 Indian companies with support of Ministry of Commerce & Industries, Government of India and The High Commission of India, Bangladesh.

The show is organized under the patronage of Ministry of Agriculture, Bangladesh and it plays a vital role in accelerating and streamlining the pace of change. It is the SAARC's most important show for food & beverage, ingredients, food processing machinery, packaging machinery, packaging material & allied technology.

300 plus exhibitors from around 15 countries including India, China, Germany, Italy, Japan, Malaysia, Spain, Taiwan, Thailand, USA etc. are participating in the show with an expected footfall of 10,000 plus visitors.

In the year 2015, food and beverage sector imports by Bangladesh from the world stood at around USD 2.49 billion and from India it was only around USD 407 million, only 16% of the total import. The exhibition is a well set platform to display products in the above said sectors as well as enhance regional economic cooperation.
