## **Comment of Mohit Singla, Founder Chairman TPCI on the economic survey 2020-21**

**New Delhi, 29<sup>th</sup> January, 2021:** Commenting on the Economic Survey 2020-21 released by the government today, Founder Chairman, Trade Promotion Council of India (TPCI), Mohit Singla said, “Economic Survey forecasts with 11% GDP growth, suggests a bright future for many sectors and have some of the transformational forward-looking suggestions and recommendations which needs to be fructified in a time bound manner for accelerate sustainable growth and development of the country.”

Further Founder Chairman TPCI added; “With the fundamentals of economy being sound and government slew of reforms, has facilitated this growth, despite global pandemic and global economic slowdown. Sectors such as agri, food including processed, drug and pharma, ceramic, Iron ore, etc. have done well and with government resolve to drive further reforms and ease of doing business, Prime Minister’s vision of India being a 5 trillion economy seems possible.”
